Beachside Holiday Park lies on the edge of the fabulous St Ives Bay, set amid sand dunes on one of the country's finest golden sandy beaches.

At Beachside there is a restful, carefree and less commercial atmosphere that is perfect to help you unwind during your holiday in Cornwall.

With its own beach access, Beachside is the perfect choice for a seaside holiday and its location makes it an ideal base for exploring the towns, sights and attractions that west Cornwall has to offer. Nearby, there is also an excellent choice of restaurants and pubs with good food to suit all tastes.

Beachside, family-run for more than 60 years, focuses on providing holidays solely for families and couples. With a friendly and personal service, not to mention a great location, it is easy to see why we welcome many families back to Beachside year after year.

We have a range of accommodation suitable for all budgets and offer pitches with and without electric hook-up. Our facilities including outdoor heated swimming pool, under 5's soft play, children's play areas and of course our wonderful sandy beach are available free of charge.
